

FEED THE JACK O' LANTERN

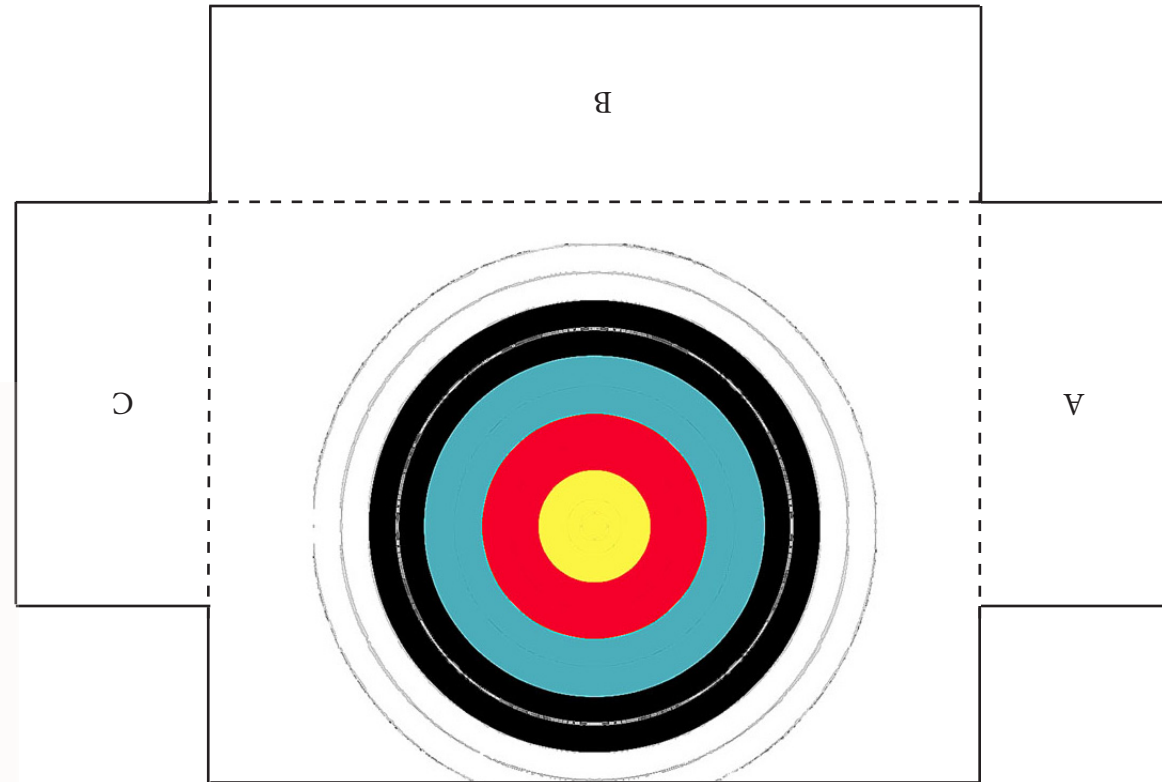

INSTRUCTIONS

Cut out the jack o' lantern, including outlined flaps. Where cutting lines do not reach the edge of the page, continue cutting on same path to the edge.

Score along the dashed lines. Fold flaps 90° towards back.

CUT OUT THIS AREA

INSTRUCTIONS continued

Cut out bull's eye panel around black outline. Where cutting lines do not reach the edge of the page, continue cutting on same path to the edge. Score along the dashed lines. Fold flaps 90° forwards.

Glue flaps together, matching the letters.

The unit may be thumbtacked to a wall before play begins, or placed on a desk top with weights such as coins put in the bottom of the box.

Play game by flipping small objects (crumpled candy wrappers, used chewing gum) through the mouth opening. Attempt to hit the bull's eye. See if you can hit the target from a distance.
